**Article citation:**

**Claim:** *Write the author's claim or claims here*

---

**Evidence:** *Write the evidence the author uses to support his/her claim. There will probably be several pieces of evidence, so include them all. Be specific and detailed. Feel free to use bullet points.*

---

**Commentary:** Write the explanations the author uses to show how the evidence supports the claim. Be specific and detailed.

---

**Criticism:** Has the author included enough evidence and commentary to support his/her claim? Why or Why not? Here, you are making a claim that you must support with evidence and commentary.
