

Canva in the Classroom

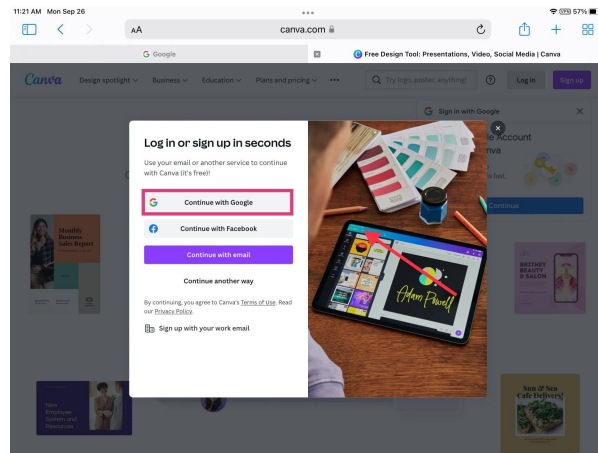

What is Canva? Canva is an online design and publishing tool that provides templates for easy-to-create presentations, posters, documents, and other types of visual content. Teachers and students in Bend-La Pine schools have access to Canva with their district account.

How do I access Canva?

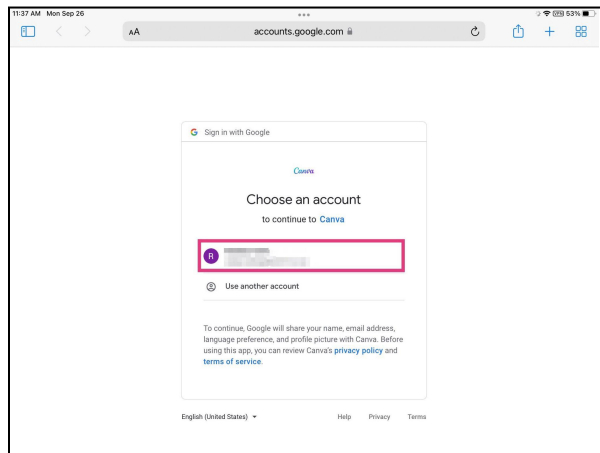

1. Visit the Canva website at www.canva.com and click on “Log in” in the upper right corner.

2. Select “Continue with Google” on the log-in screen.

3. Log-in with your district email and password.

4. You are ready to begin creating in Canva.
