SENIOR PHOTOS

It's Senior Portrait time! Consider having your senior get professional or family/friend taken senior portraits. These will be used in the yearbook, newspaper, Senior TV, bulletin boards, social media and more. It does not have to be a professional photo.

UPCOMING SENIOR DATES & EVENTS

We've got many events planned this year. This [spreadsheet](#) is a live document that is updated regularly with events, mostly for juniors and seniors. Please check it regularly and use the provided links to sign up to attend things you're interested in. Students will only be allowed to attend if they register in advance.

COLLEGE FAIR

We will be attending the local college fair. Students will be able to meet and chat with college reps and hear about colleges. It's a great way to hear about colleges in a sort of speed-dating approach.

I encourage all juniors and seniors to [sign up to attend](#).

REP VISITS

College reps will be visiting RHS this fall. This is a time to come listen and learn about the college, ask questions if you want. You might be really interested in the college, or just curious about college life. Come listen and learn in a low-pressure setting. Scan the QR Codes outside Jen's Office to sign up to attend.

I'm happy to set up any college rep meeting, just let me know what schools you'd like to hear more about.

COLLEGE & CAREER CANVAS

You will be automatically enrolled into our College & Career Canvas soon. This course is a resource for you and your parents to get all the information you need regarding anything for your futures.

There will not be any assignments listed here.
