

***It's that time of year!***

*The prospect of selecting courses for the next school year can bring excitement and nervousness. Our goal is for every RHS student to enroll in courses that meet both their interests and graduation/college application requirements.*

## **2024-25 Curriculum Guide**

Course descriptions by department begin on Page 26. We highly recommend having these descriptions available while completing your forecasting (perhaps on two different screens).

**Students and Parents/Guardians should work together to indicate your preferences on the Google Form linked below.** Complete only the form that applies to you!

- [Class of 2025 \(Current 11th Graders\)](#)
- [Class of 2026 \(Current 10th Graders\)](#)
- [Class of 2027 \(Current 9th Graders\)](#)

**This must be completed no later than Friday, February 23rd.**

It is important that we have all submissions on time so that our scheduling team can review the responses and prepare for Forecasting Phase 2\* on time.

---

### **Phases 2 and 3... *What happens next?***

After all students have completed their forecasting forms, we will enter *Phase 2: Response Clean-up* in which we will attempt to address as many questions, concerns, and creative schedule requests as possible.

*Phase 3: StudentVUE* will come next, in which we will help students to enter their "official" requests into StudentVUE. By then, all course requests should be final, which will allow us to begin the process of building our 2024-25 Master Schedule.

---

### **Questions?**

If you have questions related to course options, please leave a comment in the Google Form and we will reach out.

If you have questions related to completing the form itself (technical issues, etc), please contact Jill at [jill.deckmancooper@bend.k12.or.us](mailto:jill.deckmancooper@bend.k12.or.us)
