

# Need Something to READ??

**NEW!!** You can now apply for a Deschutes Public Library card online, for you and your child. Go to [www.deschuteslibrary.org](http://www.deschuteslibrary.org), click on Log in/My Account, and choose Get a Library Card. The parent applying for a child's card does need to have their own public library card (so get yours first, then get your child a card).

Our local public library is a wonderful resource for books, audio books, magazines, CDs, and DVDs—place a hold online and pick-up at your choice of locations. On their website you can sign up for online classes, crafts, and story times; they also have their own channel on YouTube. If you don't have a card, they are free, and every family member can have their own.

DPLS help line (call or text) is 541-617-0776.

Sora is Bend-La Pine's online reading app, where students can check out up to three books for 13 days, and they are automatically returned. In your browser window, type in [www.sorapp.com](http://www.sorapp.com) then choose Buckingham, and start browsing. Or you can go to our school webpage, <https://www.bend.k12.or.us/buckingham/academics/media-center> and choose Sora.

This free website has thousands of books to read or listen to on your computer or ipad. Go to [www.getepic.com](http://www.getepic.com) and either type in the class code your teacher has given you, or type in mine: [Imj6001](https://www.getepic.com/classcode/Imj6001) to read, listen and enjoy.

And don't forget my Story Telling blog, where I read books to you every week, [www.bend.k12.or.us/buckingham/academics/media-center](http://www.bend.k12.or.us/buckingham/academics/media-center), then choose Library Girl Reads.

If you need help with any of the above, I can help!
